CANADA'S LARGEST TRADE EVENT SERVING THE WASTE, RECYCLING, AND PUBLIC WORKS INDUSTRIES.

waste & recycling expo CANADA

GREAT SHOW. EXCELLENT OPPORTUNITY
TO MEET INFLUENTIAL PEOPLE. THE
QUALITY OF CONTACTS WAS SUPERIOR.

No other form of marketing gives you direct face-to-face access to existing and prospective customers. Tradeshows are the only business medium where the attendee has deliberately chosen to view and engage with suppliers. CWRE is ideal for companies to sell, launch new products, stimulate brand awareness, gather research and immediate feedback.

They expect to be marketed to by exhibitors with demonstrations, marketing materials and samples.

GREAT SHOW!
WE MADE MANY CONTACTS!
CASCADE ENGINEERING

TYPES OF EXHIBITORS:

A broad range of products and services covering all aspects of the waste and recycling industry can be discovered on the CWRE show floor: Composting systems + components, construction and demolition waste, scrap recycling, thermal technologies, infrastructure development, public works, landfill operations and service, MRF's, storage, transfer, containers, natural gas vehicles, compressed gas vehicles, recycling equipment and services, truck and transportation equipment, heavy equipment, waste treatment and disposal, software and technology, education... **and more**

IT IS GREAT TO CONNECT WITH SO MANY EXISTING
CUSTOMERS AND TO FIND SOME NEW PROSPECTS AS WELL.
